MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OVERVIEW

Tours and Travel Industry has witnessed a robust growth in F.Y.2023-24. With new destinations opening up, both domestic and international, the industry is well poised to maintain the momentum. We expect the buoyancy in demand for tours and travel in F.Y. 2024-25.

KEY TRENDS SHAPING THE TRAVEL AND TOURISM SECTOR

Technology Integration: The first and most visible trend is the surge in adoption & use of technology. With advancements in mobile technology, AI, VR, AR, and a seemingly unlimited growth in curated and user generated content that inspires travel.

From personalised travel recommendations to seamless booking processes, technology is transforming the way customers seek services & how providers need to adapt.

Cultural, Spiritual and Experiential Travel: Travellers are increasingly seeking authentic local experiences and cultural immersion when they travel. Sailani Tours N Travels Limited offers a variety of experiential activities like local cuisine tours, cultural festivals & experiences, spiritual & heritage-oriented experiences both in India and overseas - providing customers a deeper connection with the unique people, history and culture of the places they visit.

GOVERNMENT INITIATIVES

In line with global trends, the nation's tourism sector is emphasizing the promotion of sustainable and eco-friendly travel choices to attract travellers. With a dedicated effort to enhance tourism, the country has prioritized industry expansion by announcing full foreign direct investment opportunities in ventures related to tourism.

In conjunction with India's G20 Presidency and the India@75 Azadi ka Amrit Mahotsav celebrations, the Ministry of Tourism declared FY 2023-24 as the 'Visit India Year' to boost inbound travel. The government has adopted a mission-oriented strategy to propel tourism during the Amrit Kaal, accompanied by a strategic roadmap for the next 25 years. The ambition is to transform India into a premier global travel destination by 2047, creating an unmatched allure for visitors from around the world.

The Indian Government has realised the country's potential in the tourism industry and has taken several steps to make India a global tourism hub. Some of the major initiatives planned by the Government of India to boost the tourism and hospitality sector of India are as follows:

There has been a clear increase in domestic tourism interest and demand as a result of the Government's investments in travel related infrastructure. Travellers are exploring our country more extensively, discovering local attractions and hidden gems. Sailani Tours N Travels Limited has capitalised on this trend by enhancing its domestic tour offerings and growing our Domestic business significantly.

MARKET SIZE

The global ecotourism market is expected to reach USD 331.62 bn by FY 2026-27. At Sailani, we endeavour to adopt sustainable travel by offering eco-friendly accommodations and supporting community-based tourism projects. The demand for travel is also being supported by some positive supply side developments. Indian government has estimated that India would emerge with a market

size of 1.2 million cruise visitors by 2030-31. Dream Hotel Group plans to invest around US\$300 million in the next 3-5 years for the development of the cruise sector in India.

Access and connectivity: Access and connectivity are accelerating travel in India. The government's infrastructure focus is shown in the Union Budget's ₹ 2,080 crore allocation for tourism, a 61% increase from the previous year.

Airports have doubled to 149 in the past decade under the UDAAN scheme for regional access, aiming for 220 by 2025, at the rate of eight new airports every year.

This is transforming India into a global aviation hub and will drive growth.

New direct outbound flights now connect Indians to destinations like Vietnam, Cambodia, Azerbaijan, Kazakhstan, Uzbekistan, and Georgia.

Air India, Indigo & Akasa have announced mega orders of over 1,250 aircraft. Indigo expects delivery of approx. 5 aircraft per month in the near to medium term; while Air India Group is currently inducting 5 to 6 aircraft each month.

According to WTTC, India is ranked 10th among 185 countries in terms of travel & tourism's total contribution to GDP in 2019. The travel market in India is projected to reach US\$ 125 billion by FY27 from an estimated US\$ 75 billion in FY20. The Indian hotel market including domestic, inbound and outbound was estimated at ~US\$ 32 billion in FY20 and is expected to reach ~US\$ 52 billion by FY27, driven by the surging demand from travelers and sustained efforts of travel agents to boost the market.

Frictionless Travel: To woo the growing India source market, visa free entry, e-visa and visa-on-arrival announcements as well as other forms of visa relaxations from various countries are increasingly making travel frictionless for Indians.

Multiple trips and duration: According to a MasterCard report, Indians are taking longer trips, averaging 10.6 days per trip in 2024 compared to 8.6 days in 2020. Additionally, there's an increased demand for multiple short trips of 2-3 nights, both domestic and short-haul outbound.

OUTLOOK

The future outlook of the Tourism & Hospitality sector looks on track with pandemic easing out. To ease travels for international tourists, the Government of India has launched a scheme wherein five lakh tourists will get free visas. Visa reforms include a significantly expanded Golden Visa scheme, a five-year Green residency and new entry permits, including one for job seekers. The new system also offers additional benefits to sponsor family members.

India's travel and tourism industry has huge growth potential. The industry is also looking forward to the expansion of e-Visa scheme, which is expected to double the tourist inflow in India. India's travel and tourism industry has the potential to expand by 2.5% on the back of higher budgetary allocation and low-cost healthcare facility according to a joint study conducted by Assocham and Yes Bank.

RISKS AND CONCERNS

Strategic and Business Risks: The Company's business and its revenues are substantially dependent on the policies of the government and the Ministry of Tourism. Any unilateral policy change or any adverse decision may affect the revenue of the Company by losing out the business of the company.

Economic Risk: Our business is closely associated with the macro environment that impacts the consumers' behavior and spending power. The post-pandemic crisis has not only led to global health and safety concerns but has also thrown many economies into a slowdown.

Forex Risks: As we engage in transactions involving multiple currencies and operate across diverse geographic regions, we face an ongoing exposure to foreign exchange (forex) risk. This inherent risk stems from the possibility of unfavourable currency fluctuations that can impact our financial outcomes.

Competition Risk: As a premium brand, we engage in competition with local businesses spanning various geographical regions. Our operational margins are susceptible to potential erosion due to intense competition and price wars.

OPPORTUNITIES AND THREATS

As a new generation becomes increasingly relevant in the marketplace, the ideals driving their purchasing decisions create new tourism trends. Eco-travel is just one example of these tourism trends, reflecting a growing concern among today's travellers for ethical and sustainable tourism options. Eco travel includes simple changes, such as the availability of carbon credits when booking a flight or the option to rent an electric instead of a conventional vehicle. More sophisticated examples might include tourism with a volunteer element, perhaps working on a nature reserve or engaging in conservation work.

Consumer financial anxiety, a labour shortage affecting all travel segments, climate change quandaries, and the likelihood that corporate travel may never return to pre-pandemic levels.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

For the period under report, the Company's total income for the year under report stood at Rs. 2,35,140.35 (in thousands) as compared to Rs. 2,56,057.87 (in thousands) previous financial year. Profit after tax for the year under report amounted to Rs. 2,971.29 (in thousands) as compared to Rs. 4,425.49 (in thousands) in the previous financial year.

These systems are regularly reviewed and wherever necessary, they are modified or re-designed to ensure better efficiency, effectiveness, and improved controls. All processes and systems are subject to Internal Audit which are further supported by Statutory Auditors who validate that financial reporting is true and fair, and that these controls are designed and operating effectively.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls with reference to standalone financial statements of Sailani Tours N Travels Limited (formerly called Sailani Tours N Travels Private Limited) ("the Company") as on March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTE NO. 1: Summary of Significant Accounting Policies

I. Company Overview

Sailani Tours N Travels Limited (formerly called Sailani Tours N Travels Private Limited) is a public company domiciled in India and registered under the provisions of Companies Act 2013. The Company is listed Bombay Stock Exchange under SME Platform on 8th July 2022.

II. Basis of Preparation of Standalone Financial Statements

The standalone financial statements are prepared and presented under the historical cost convention on accrual basis of accounting in accordance with generally accepted accounting principles in India ("Indian GAAP") and comply in all material respects with the mandatory Accounting Standards ("AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with (the Companies (Accounting Standards) Rules, 2021, and with the relevant provisions of the Act and pronouncements of the Institute of Chartered Accountants of India ("ICAI"). The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of the work, the Company has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

The Standalone Financial Statements have been prepared in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in INR has been rounded off to nearest thousands as per requirements of Schedule III, unless otherwise stated.

III. Use of Estimates

The preparation of standalone financial statements is in conformity with generally accepted accounting principles, which requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of liabilities at the date of the standalone financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Significant estimates used by management in the preparation of these standalone financial statements include the estimates of the economic useful lives of the property, plant and equipment, provisions for bad and doubtful debts and employee benefits. Any revisions to accounting estimates are recognised prospectively.

IV. Property, Plant and Equipment

Property, plant and equipment ("PPE") are stated at cost, net of depreciation. The cost of an asset comprises its purchase price and any cost directly attributable for bringing the asset to its working condition and location for its intended use. Subsequent expenditures, if any, related to an item of PPE are added to its book value only if they increase the future benefits from existing asset beyond its previously assessed standard of performance.

XI. Taxes on Income:

Tax Expense comprises of current tax and deferred tax.

(a) Current tax

The tax expense comprises of current taxes and deferred taxes. Current tax is the amount of income tax determined to be payable in respect of taxable income for a period as per the provisions of the Income-tax Act, 1961 ("IT Act").

(b) Deferred tax

Deferred tax is the effect of timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are reviewed at each balance sheet date and recognised/derecognised only to the extent that there is reasonable/ virtual certainty, depending on the nature of the timing differences, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

XII. Provisions, contingent liabilities and contingent assets

A provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the standalone financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise the asset and related income are recognised in the period in which the change occurs.

XIII. Earnings Per Share:

a) Basic earnings per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

b) For the purpose of calculating diluted earnings per share, the net Profit or Loss for the year attributable to the equity shareholders and weighted average number of share outstanding if any are adjusted for the effects of all dilutive potential equity shares.

XIV. Preliminary Expenses Written Off:

Preliminary Expenses will write off in a period of 5 years as per the provisions of Income Tax Act, 1961

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2024. Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error,

and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system with reference to consolidated financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial information/ financial statements of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The financial statements include the Group share of total assets Rs 95.50 thousand and profit after tax Rs NIL for the year ended 31 March 2024 in respect of one subsidiary

Annexure 1 to the Independent Auditor's report of even date on the consolidated financial statements of Sailani Tours N Travels Limited (formerly called Sailani Tours N Travels Private Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to consolidated financial statements of Sailani Tours N Travels Limited (formerly called Sailani Tours N Travels Private Limited) ("the Holding Company") and its subsidiary together referred to as 'the Group') as on March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Consolidated Financial Statements

Our responsibility is to express an opinion on the Group Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

III. Basis of Consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses.

IV. Use of Estimates

The preparation of consolidated financial statements is in conformity with generally accepted accounting principles, which requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of liabilities at the date of the consolidated financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Significant estimates used by management in the preparation of these consolidated financial statements include the estimates of the economic useful lives of the property, plant and equipment, provisions for bad and doubtful debts and employee benefits. Any revisions to accounting estimates are recognised prospectively.

V. Property, Plant and Equipment

Property, plant and equipment ("PPE") are stated at cost, net of depreciation. The cost of an asset comprises its purchase price and any cost directly attributable for bringing the asset to its working condition and location for its intended use. Subsequent expenditures, if any, related to an item of PPE are added to its book value only if they increase the future benefits from existing asset beyond its previously assessed standard of performance.

The cost of property, plant and equipment not ready for its intended use at each reporting date are disclosed as capital work in progress. At the point when asset is operating at management intended use, the cost of construction is transferred to appropriate category of property, plant and equipment and deprecation commences.

Property, Plant and Equipment is derecognised on disposal or when no future benefits are expected for its use. Any gain or loss arising on derecognition of assets (calculated as the difference between the net disposal proceeds and the carrying amount of the assets) is recognised in other income/expenses in the statement of profit and loss in the year the asset is derecognised.

The cost of intangible assets not ready to use at the end of the reporting date are classified as intangible assets under development.

At the point when asset is operating at management intended use, the cost of construction is transferred to appropriate intangible assets and deprecation commences.

VI. Depreciation and amortisation

Depreciation on Property, Plant and Equipment is determined using the Straight-Line Method on pro-rata basis based on the useful life of the asset as prescribed under Schedule II of the Companies Act, 2013.

VII. Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rate prevailing on the date of the transaction. Exchange differences arising due to the differences in the exchange rate between the transaction date and the date of settlement of any monetary item is recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currency are translated at the exchange rate prevalent at the date of the balance sheet and resultant gain/loss, if any, is recorded as an income or expense in the

period in which they arise.

- b) Project in Progress is accounted on accrual basis
- c) Interest income is recognised on a time proportionate basis taking into account the amount outstanding and the rate applicable.

IX. Cash & Cash Equivalents:

The tax expense comprises of current taxes and deferred taxes. Current tax is the amount of income tax determined to be payable in respect of taxable income for a period as per the provisions of the Income-tax Act, 1961 ("IT Act").

(b) Deferred tax

Deferred tax is the effect of timing differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred

tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are reviewed at each balance sheet date and recognised/derecognised only to the extent that there is reasonable/ virtual certainty, depending on the nature of the timing differences, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

XIII. Provisions, contingent liabilities and contingent assets

A provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.
